The cleanest, brightest safest and really the longest run, the cheapest and best light for use in the family residence, is the incandescent electric light. Safe; nothing could be safer. A few days ago a prominent gentleman of Honolulu came rushing down to the office of the Electric Company and said: "Give me figures for wiring my house, and I want it done at once; no more lamps for me. Last night a lamp tipped over and it came so near setting fire to the house and burning my children and I take no more risks." "This is the sentiment of quite a number in the past few weeks, who have ordered their houses fitted with the perfect light. Just think it over and make up your mind that you want the best and safest light; send for the Hawaiian Electric Company and tell them what you want."

Pupils Decorate the Grave This Morning—Sports on Saturday—Tonight's Program.

At 10 o'clock this morning the pupils of Kamehameha schools decorated the grave of the late Mrs. Bernice Pauahi Bishop, foundress of the institutions, in Nuuanu valley. The boys, in full uniform, marched up, under Professor Perry, while the girls rode in busses to and from the cemetery.

At noon today the Founder's day banquet was served the pupils of the boys' school in the gymnasium hall. This was under the immediate supervision of the teachers and a few outside friends.

At 8 o'clock this evening President Dole will address the schools and the public, in the gymnasium, on the theoretical side of the question of the best industrial and social lines for the Hawaiians to follow in the future. Mr. Armstrong will also speak, taking the practical side of the same question.

Beginning at 1:30 Saturday afternoon field sports were held on the campus of the boys' school. S. P. Perry was manager. The Hawaiian band played on the grounds during the sports. There was a big crowd out and great interest was taken in the events.

J. Pa took first place in the running broad jump, reaching 16 feet 8 inches. W. Searle led in the high jump, at 4 feet 10 inches. The fifty yards dash was won by W. Campbell in 6.2 seconds, and the one hundred yards hurdle by H. Hanakahi in 15.2 seconds. J. Hose threw the 12-pound hammer 81 feet and 6 inches. In the pole vault a height of 6 feet 6 1/2 inches was reached by U. Lemon. All of these events were in the junior class. The senior events were as follows:

Running high jump, C. Pachale, 5 feet 4 inches.
Putting 16-pound shot, J. Burgess, 35 feet 9 inches.
Fifty yard dash, J. Ferne, 6 seconds.
Four hundred and forty yards dash, D. Kalo.
Running broad jump, J. Fern, 19 feet 10 1/2 inches.
Throwing 16-pound hammer, J. Burgess, 91 feet 2 inches.
Two hundred and twenty yards dash, S. Kalua, 27 1/2 seconds.
Pole vault, J. Fern, 9 feet 3 1/2 inches.
Eight hundred and eighty yards run, D. Kalo, 2 minutes 30 seconds.
One hundred yards high hurdles, J. Cockert, 15 seconds.
One hundred yards dash, D. Kalo, 11 1/2 seconds.
A special musical program has been prepared for this evening's entertainment by Professor Theo. Richards and Miss Clymer. The general public is invited to be present.**SOUND AND WELL.**
Corporal John Withers, formerly of Company F, N. G. H., who about six months ago was reported gored to death by a bullock on Maui, surprised his friends in Honolulu yesterday by coming in on the Kinau well and hearty. He has been planting coffee in North Hilo for the past seven months, and says he never was on Maui, and was never gored by a bull.**TWO POINTED QUESTIONS ANSWERED.**What is the use of making a better article than your competitor if you cannot get a better price for it?
Answer.—As there is no difference in the price the public will buy only the better, so that while our profits may be smaller on a single sale they will be much greater in the aggregate.How can you get the public to know your make is the best?
If both articles are brought prominently before the public both are certain to be quickly passed judgment on them and use the better one.

This explains the large sale on Chamberlain's Cough Remedy. The people have been using it for years, and have found that it can always be depended upon. They may occasionally take up some fashionable novelty put forth with exaggerated claims, but are certain to return to the one remedy that they know to be reliable, and for coughs, colds and croup there is nothing equal to Chamberlain's Cough Remedy. For sale by all dealers and druggists. Benson, Smith & Co., wholesale agents for the Hawaiian Islands.
